1. As indicated in reference B Headquarters submitted for approval a summary project renewal for LOCASDOCK for Fiscal Year 1957. This summary renewal was approved on 3 May 1957 and authorizes the expenditure of \$1. during Fiscal Year 1957. In effect this document legalizes the activity undertaken and the funds expended by the project through the date of approval and until the end of the Fiscal Year.

2. At the time of submission we indicated to KICASH that complete redocumentation would be submitted for Fiscal Year 1958. Based on the exchange of views during the past six months it is now our plan to prepare a draft of a new project outline. Prior to the formal presentation of the proposal we will furnish necessary portions of this draft to the field for their information, comments and concurrence.
